ESSENTIALS OVERVIEW

PURPOSEFUL LEADERSHIP [ESSENTIALS]

Purposeful Leadership Essentials is a focused introduction to purposeful leadership that allows leaders to think differently about who they are, what matters to them and how they choose to lead.

ESSENTIALS FEATURES

Programme Feature	What it provides
Digital Learning	Short, accessible content that introduces purposeful leadership and prepares participants to get the most from the day (Approx 4 hrs)
One Immersive Development Day	Dedicated time away from day-to-day demands to pause, think and focus on themselves as leaders
Introduction to Purpose	An opportunity to explore what purpose means and why it matters in life, career & leadership
Values Exploration	Participants start considering what matters most to them and how this influences their choices and behaviour
Experiential Learning	Interactive exercises and activities that move the experience beyond theory into personal application
Peer Learning & Conversation	The opportunity to share perspectives, experiences and ideas with other leaders

ESSENTIALS LEARNING OUTCOMES:

By the end of the programme partipants will:

Understand Purposeful leadership

Develop a clearer understanding of purpose and what it can mean for the way they lead.

Increase Self-awareness

Gain insight into their values, motivations, leadership approach and impact on others.

Begin Exploring Personal Values

Start considering what matters most to them and the contribution they want to make.

Gain Greater Leadership Clarity

Create space to think about the leader they are today and the leader they want to become.

Develop Practical Tools

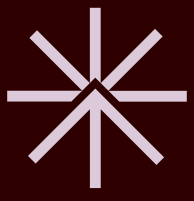

Leave with ideas, frameworks and approaches they can begin applying immediately.

Identify Personal Actions

Determine practical next steps for bringing greater intention and purpose to the way they live and lead.
